The Engineer's review of this shop drawing is limited to the review of dimensions, equipment, and materials as presented in the Contract Documents and design concept. The reivew does not relieve the Contractor from errors or omissins in the submittal or from the Contractor's responsibility of addressing any deviations from the Contract Documents. The Contractor is responsible for the details and dimensions of fabrication and manufacture, the means and methods, techniques, sequences, and procedures of construction and performing its work in a safe manner.
